PHYSICIANS OF CITY WILL MEET IN CONFERENCE AT CITY HALL THIS MORNING

The question of raising the ban on public gatherings, picture shows, etc., is to be considered at a conference that has been called for this morning at 11 o'clock in the office of Mayor Roy Miller.

Mayor Miller has asked that the physicians, together with City Physician Kaffee, Major Hugh N. McMurdy of the Army hospital and Captains Pickard of the Fourth Field Artillery, confer among themselves at this time and make some recommendations as to whether or not the time is opportune for removing the ban.

Reports to City Physician Kaffee for the 24 hours ending yesterday afternoon at 5 o'clock disclosed but six new cases of influenza in Corpus Christi. The total number of cases under treatment now amounts to 12 while 8 cases of pneumonia have been reported.

But one death from either pneumonia or influenza has occurred in Corpus Christi within the past eleven days.

LOVES HER COWS AND CHICKENS AGAIN

"I have had stomach trouble for twenty years and for the past year have eaten nothing but stale bread and drank hot water. Was too weak to do any kind of work. Six weeks ago I took the first dose of Dr. Williams' Wonderful Remedy and I am now doing all my household work and looking after my chickens and milking two cows every day. Mine has been a wonderful recovery." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation that causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by druggists everywhere. ADV.

GLEASON AND TATE ARE READY FOR BIG MATCH

Champions of Southwestern Army Camps Will Meet at Exposition Park Friday Night

Interest is growing more and more keen in the coming bout between "Tex" Tate, the Champion of Camp Travis, and Kid Gleason, the pride of the Fourth Artillery, which will be staged on Friday night at Camp Seely.

From the advance sale of tickets for the affair, it promises to be a splendid success. All preliminaries for the big fight have been arranged satisfactorily and it is agreed that the winner will possibly go up against Jess Willard, the world's champion for an exhibition bout.

Both fighters are in the prime of condition. Tate has the advantage in weight over his opponent, but the latter, as shown by his record, can make up in speed and skill for any deficiency in weight.

Interesting preliminaries, consisting of a speedy battle for honors between two artists of the mat, one from Camp Travis and the other from Camp Seely, and also a battle royal between five local pugilists for a purse.

PRELIMINARIES—Wrestling Match between HENDRICKSON, champion of New England states and the champion of Camp Travis—A fast four round boxing match and a battle royal between five black boys, the winner to receive twenty-five dollars.

Total contributions \$16,783.75. In connection with the above figures it should be explained that reports have not been received from many of the Community War Councils. Mission, Agua Dulce, of the Aguilera, Rosamunda, Calallen, Fairview and a number of other councils are known to have raised substantial amounts, but the reports have not yet reached Corpus Christi.

The Victory Girls Club of the Girl's Own and Give Division of the United War Work Campaign has been organized in Corpus Christi and much enthusiasm is being worked up over the campaign.

"Every girl pulling for Victory" is the slogan of the club and every girl between twelve and twenty is challenged to share in this campaign to keep our fighters fit. The following will give an idea of the requirements and aims of the club:

When a girl enrolls in the VICTORY CLUB she pledges herself to work and give a dollar each for her work. She should make good her pledge out of money earned, paying in full or in three installments, at the time when subscriptions to the men's and women's campaigns are payable. She will receive a VICTORY GIRLS' button, also a tag, to hang in the window of her home, giving a girl cheer is entitled for Victory. On full payment she will receive a receipt certificate.

Home dues will be awarded to schools and places of employment where fifteen or more girls enroll, provided the amount enrolled is ten per cent of total assigned.

The maximum age limit for enrollment will be twenty years, while the minimum may be determined locally, child labor protection and the ability of the girls to earn what they pledge being governing factors. Generally, girls under twelve will not be sought.

The branch of Victory which was organized in Corpus Christi High School among its students consists of a Captain for each room whose duty it is to enroll all of the girls in her room in the club.

The following young ladies were appointed captains: Louise Bernard, Katherine Beckham, Carrie Pfaffner, Elizabeth Boone, Marjorie S. Taylor, Eleanor Hopkins, Josephine Hatcher, Marguerite Here, Ruth Wilson and Gladys Caldwell.

After clearing out the Germans and securing the country from Chateaufort to the Vech with only a couple of face washes in three weeks, our immaculate soldiers regarded soap and water as something a million dollars.

The Y. M. C. A. handles twenty-four different brands of soap in its post exchanges and for the month of September, October and November ordered 1,000,000 bars. More proof that ours is the "cleanest army in the world."
